

A few items that need your attention before you arrive at the J/70 Championship:

#1 All competitor crew names must be listed on the event page before checking in at registration.

#2 All competitors (crew and skippers) must add their valid World Sailing ID number to the event registration page. If you do not have this ID number or you need to check if it has expired, please go to this link: <https://www.sailing.org/sailors/sailor-categorisations/>

Remember that ALL World Sailing Group 3 crew must be current members of the J/70 Class Association. If someone needs to sign up for membership, you can do so at this link: <https://v1.yachtscoring.com/j70class/>

#3 Complete the attached self-compliance document and return it to onsite registration. If you need a Manufacturers Declaration, please set-up an appointment with event Technical Chair.
